FundingFactory Qualifying List

08/01/2015 **Prices valid for 30 days.**

As of July 1, 2015, FundingFactory is no longer paying for cell phones. A large majority of cell phones that we receive are not on our Qualifying List– and to reduce fossil fuel consumption and boost your local economy, we suggest recycling your old cell phones locally. Thank you!

Prices listed are for undamaged and not previously remanufactured items, unless noted otherwise.

Shipping Reminder–Toner Tubes

FundingFactory's Shipping Guidelines

PACK THE PERFECT BOX

Remove inkjet and toner printer cartridges from their original manufacturer's packing to increase the number of items in each shipping box.

Make sure your items are protected from damage during shipment by filling empty space with newspaper or bubble wrap.

AVOID OVERPACKING

Overpacking your shipping boxes can cause product damage.

We suggest using sturdy boxes (no larger than 20" x 20" x 24") that can hold **20+ qualifying items** or **20–40 lbs. of qualifying product**.

The Qualifying List can be found at FundingFactory.com

ECO-TIP **Reuse large cardboard boxes for your shipments! This saves resources used to manufacture and transport new boxes.**

Why not reuse the boxes that reams of paper come in? Or, ask your cafeteria, library, or even grocery stores!

UPS SHIPPING LABELS

FundingFactory makes it easy to pack and ship your recyclables... for free! Simply print shipping labels from your online account, tape one label onto each box and you're ready to go!

Need to ship more than one box?
Print a new shipping label for every box to ensure each has its *own unique tracking number*.

IT'S TIME TO SHIP!

When you're ready to ship your recyclables, securely tape your box shut and leave it for your UPS driver or take it to any UPS location.

Visit UPS.com or call 800/742-5877 to find the nearest drop-off location.

Do not call UPS for a pick up. UPS will charge you a mandatory fee that cannot be reimbursed.
